Notes from the Editor

Greetings!

Wishing you all a prosperous season and may it be a source of happiness, prosperity, and a healthy life for all of you. With the New Year well underway, we have much to report.

As you are aware, the annual elections of the Club culminated on December 8, 2023 and now we have a new dynamic Managing Committee which has undertaken to ensure that there would never be a dull moment at your Club. Three new members have been inducted in the Committee.

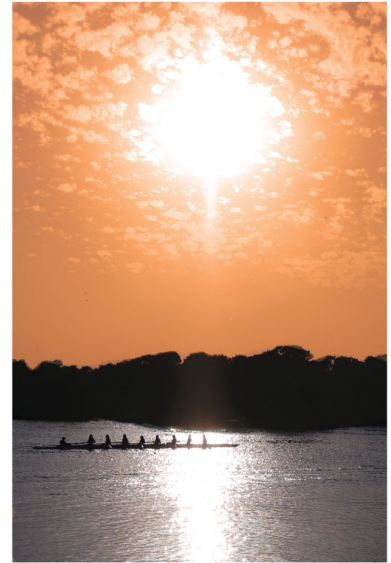

For starters, we have introduced a quarterly newsletter called the KBC Chronicles with a contemporary lay-out and design. We hope you enjoy the fresh new look and give us your feedback and ideas for further improvement. We will strive to send you digital and hard copies of it.

The Chronicles is designed to give you a glimpse of the events that have happened in the previous quarter and what is to unfold in the ensuing period. It is to keep you aware of the happenings.

We look forward to your active participation in the Club affairs and having wonderful moments with your family and friends at the Club. Thank you for being an essential part of what makes our Club extraordinary.

Wishing you all the best,
